

University Sponsored Student Organization Activities

The University Sponsored Student Organization (USSO) checklist is a guide for organizations hosting, operating, conducting, sponsoring, or organizing youth activities on behalf of the university, its DSOs, or its affiliate entities. The checklist applies to all USSOs. Youth activities involving minors must be authorized by appropriate department/unit leadership prior to initiating registration or advertising. If a General Registered Student Organization will host a youth event refer to the General Registered Student Organization checklist.

University Sponsored Student Organization Activities: Any activity for minors that is hosted, operated, conducted, sponsored, or organized by an USSO.

Refer to the appropriate Checklist for additional guidance
